

CCDC DOCUMENT WEBINARS

CCDC Document Webinars are a one-of-a-kind learning opportunity for anyone involved in construction project delivery. These author-led sessions are structured to give you the complete picture by explaining the underlying principles behind CCDC documents and training you on their correct use.

[Want to learn more?](#)

[CCDC 5B webinar:](#) **Thursday, February 9, 13:00 – 14:30 (ET)**

Get to know CCDC 5B, under which the construction manager contracts directly with sub-contractors. The document authors will review some of the more complicated aspects of the contract form and discuss when and how to execute the various options offered within.

[REGISTRATION NOW OPEN! CCDC 14 webinar:](#) **Thursday, March 16, 13:00 – 14:30 (ET)**

CCDC 14 is a fixed-price, prime contract an owner enters into with the design-builder responsible for design and construction services. The presentation will dissect the contract, and the roles, responsibilities and risks of each party involved. It will also review important sections and clauses; and highlight the vital considerations which must be made.
